KEVIN P. KODISH

CHIEF CLERK
CATHY L. ROMIG

PROCLAMATIONS

The Mifflin County Board of Commissioners welcomes the opportunity to increase public awareness of noteworthy causes, events, milestone, or achievements. Proclamations are issued for a day(s), week(s), or a month.

PROCLAMATION REQUIREMENT:

Requests may be submitted by any Mifflin County resident or group in writing **at least three weeks** (but no more than six months) prior to the dated needed.

An organization will not have the exclusive rights to the day(s), week(s), or month of its proclamation. Proclamations issued in previous years will not be automatically re-issued – a new request must be submitted and approved each year. National acknowledgements, events, or occasions may be observed if there is a local organization or governmental entity that is acting as a local partner or representative.

Mifflin County reserves the right to modify or deny any request, to edit proclamation content, and to make exceptions to these guidelines. Preference will be giving to in-county requestors. Proclamations are public service documents and are neither legally binding nor shall they necessarily constitute an endorsement by the County or the Board of Commissioners.

WHAT MAY PROCLAMATIONS BE ISSUED FOR?

Proclamations may be issued for:

- National or local day/week/month recognitions
- Significant contributions and service to the community
- Commemorating significant milestone of Mifflin County history

Proclamations will not be issued for:

- Matters of political controversy, ideological/religious beliefs, or individual convictions
- Anything that may suggest an official county position on a matter under consideration
- Events or organizations with no direct relationship to Mifflin County
- Campaigns or events contrary to Mifflin County policy or to the wellbeing of its citizens
- Support or endorsement of individual people, products, or services

To request a proclamation, please email cromig@mifflinco.org with the subject line: Proclamation Request. Be sure to provide your contact information and a draft of the proclamation.
